1st Swiss Academy of Childhood Disability

Research Day

Bern, Switzerland

Join us to exchange the latest research

in childhood disability!

- Study protocols
- Preliminary results
- Finalized studies

Get the opportunity to:

- Enjoy a great scientific program
- Interact with other researchers (in person!)
- Win scientific prizes (sponsored by the AMG Foundation)

The event will be held in English. The general assembly of the Swiss Cerebral Palsy Registry will take place during the Research Day. More info about the Research Day will follow very soon - <https://www.sacd.ch/de/researchday>
